Legal issues in e-Commerce

Many successful companies have discovered that doing business over the internet presents serious and totally unexpected risks.

Holding Redlich specialises in providing advice and services to clients in a range of industries operating in the e-commerce marketplace. In this highly topical seminar we will describe how to avoid the most common and damaging e-commerce traps that are constantly waiting to snare the unwary.

Risk topics include:

- brand protection
- domain names
- ACCC compliance
- relationship with developers
- privacy
- defamation
- copyright
- cybersquatting
- spam
- internet patents
