

Property & Projects Breakfast Seminar

Development approvals - do you really have one?

The foundation block of any development is the development approval (DA). At this seminar we will discuss this important document and answer questions such as –

- When does a DA take effect?
- When does a DA lapse?
- In what ways can I stop a DA from lapsing?
- Who can challenge a DA and on what grounds?
- What are the consequences if work performed is not covered by a DA?
- How will the current system change under the new *Sustainable Planning Bill 2009*?
