

Trade Practices Workshop Series Part 2: Restrictive trade practices & the ACCC

Trade practices compliance is essential for any organisation. This 2 part workshop series is designed to assist you to understand the key requirements of this important and pervasive area of the law. It will help your organisation to minimise the risk of regulatory action and enable you to identify potential issues and wrongful conduct by your competitors.

Part 2 of the 2 part workshop series will cover the following topics:

- Price fixing and resale price maintenance
- Third line forcing and conditional dealings
- Misuse of market power and exclusionary provisions
- Penalties and powers of the ACCC
- What to do if the ACCC come calling
