Construction & Infrastructure
Breakfast Seminar Series 2009

Holding Redlich strives to keep our clients well informed. We understand the importance of keeping up to date on both legal and key developments in the construction & infrastructure industry. Industry knowledge underpins our approach and sets benchmarks for the areas we specialise in. This year we will be holding a series of five seminars that will cover issues pertinent to your industry.

No. 3: Efficient resolution of disputes - expert determination and other alternative dispute resolution processes in construction & infrastructure disputes

Rashda Rana, Partner, will explore various recent developments in construction & infrastructure dispute resolution processes, in particular contrasting expert determination with other currently popular methods of alternative dispute resolution.
